## Policy for Community Centre's Water Invoicing

Overview:

In order to provide Administration direction on invoicing Community Centre's for water usage.

Water Invoicing for Community Centre's Policy:

The following rules and procedures will apply when invoicing for water to Community Centre's:

1. The only reduction in water invoicing for community centre's will be when the water is being utilized for outdoor skating rinks which are available to the public free of charge.

How the amount will be determined:

1. The user must take a meter reading prior to flooding the ice and after the flooding is complete to determine how much was actually utilized for the purposes of flooding a public outdoor skating rink.
