WERT

The time of the year that all of us wait for has arrived! We all love the warm sunny days of summer. Due to the recent fire activity here in the Southeast of the Province, we need to protect ourselves, our homes and property from fires. Please check the municipal website for burn restrictions and visit the website-www.manitoba.ca/FireSmart for information on how to protect your property. With the current wildfires in and around us, be aware of air quality. If smoky conditions exist, stay indoors and shut windows and doors. For more information go to-www.getprepared.gc.ca/hzd/wildfires Warm/hot weather ahead can bring powerful thunderstorms. Listen to weather forecasts paying attention to warnings of extreme heat, extreme storms or tornados. During heat waves, keep yourself cool by drawing curtains in your home, staying in the shade, wearing a hat and drinking plenty of water. If you hear of a powerful thunderstorm, batten down the hatches, put anything that can become a flying object in a safe place and stay indoors. For more information visit the website: www.gov.mb.ca/safety. Stay safe everyone!

REMINDER

Please keep your hedges, shrubbery & any low hanging branches that overhang onto the sidewalk trimmed as this impedes those who walk, cycle or use motorized scooters.
