SNOW REMOVAL

Be advised that “any party who deposits snow upon a highway or the shoulders thereof,” may be in contravention of Section 217 (2) of the Highway Traffic Act, which reads as follows: “A person who drops, throws or deposits upon a highway any substance or thing likely to injure a person, animal, or vehicle shall immediately remove it or cause it to be removed.” As the practice of cleaning private lanes and driveways and leaving snow on the road and/or shoulders creates hazardous driving conditions, the Rural Municipality of Whitemouth would expect that all residents will comply with the above-mentioned section of the Act. The objective of the winter snow removal and sanding policy is to provide uniform service to the public throughout the Municipality during a normal winter. For unusual or very difficult conditions, the Municipality will restore normal service as soon as available resources permit.

WERT

Happy New Year from the RM Emergency Response Team!

The first month of the year is almost over and haven't we been lucky so far with winter weather. Still plenty of winter ahead so a reminder to keep vigilant on monitoring the weather and being prepared for a storm or power outage.

-when you are stuck at home you need to keep warm and have food available. Fill a tote/box with extra blankets, mitts, toques, socks, warm clothes and food that would not require cooking

-Do you have a 72 hour emergency kit? For info on building a plan or emergency kit, go to – getprepared.gc.ca/hazards and emergencies

We are in the process of building a Facebook page, offering info & staying prepared for all kind of emergencies. Keep you eye out for it and be sure to like & follow & share our page Stay prepared! Stay safe!
